Gary.

I checked my inbox and I have no record of this and neither does Joel. But I am old and things slip my mind. If possible could you resend it.

Subject: CAFO General Permit Modification

Dave:

On November 10th we sent you a proposed modification of the General Discharge Permit for Animal Feeding Operations addressing a challenge by Food and Water Watch and the Assateague Coastal Trust for approval.

Any movement on this? We have to report to the court on our progress.

Thanks, Gary
